

## **AFRICENTRIC ACTION PLAN**

You are expected to develop an Africentric Action Plan which incorporates the Africentric principles that will be explored and discussed throughout the week-long institute. The following template will guide you through the development of your action plan.

On the last day of the institute, Friday July 21, 2006; you will be given an opportunity to share your Action Plan with your colleagues. At the conclusion of your presentation, you must pass in a typed-copy of your Action Plan (the first three pages of the attached template) which will be posted on-line. Please note that all action plans will be posted anonymously.

It is expected that you will implement your Action Plan as outlined and provide a follow-up report (page 4 of the template) to ALI by Dec. 31, 2006. We will maintain contact and send you regular reminders of the due date. You may be invited to share your Action Plan and the subsequent outcomes at a later date.

We look forward to hearing your Africentric Action Plan.
